# Secret Trials are Scary: Stop Terrorizing Arabs and Muslims

## Confront Canada's Spy Agency on Halloween: Peaceful Rally and Nonviolent Direct Action Friday, October 31, CSIS HQ, Ottawa

✋ JOIN US IN AN HISTORIC, FIRST-EVER DIRECT ACTION PROTEST AT THE NATIONAL HEADQUARTERS OF CANADA'S SPY AGENCY, THE SCANDAL-RIDDEN CANADIAN SECURITY INTELLIGENCE SERVICE (CSIS).

The action is built around a "trick or treat" for the secret "evidence" which has been used to detain five Muslim men a collective total of 99 months, much of that in solitary confinement, without charge or bail. Neither they nor their lawyers are allowed to see this "evidence," and they face deportation to countries where they will be tortured and executed. All are held under the CSIS secret trial "security certificate"; in the past year, two men have been deported under the certificate, and have disappeared on their return to Iran and Algeria.

The theatrical demonstration will also put out couches to provide psychological counselling to CSIS agents, to help them get over their dangerously irrational fear of Arabs and Muslims. The "how does it feel" surveillance group will snap photos of CSIS agents on their way to work. Groups and individuals are welcome to come in theme-based costumes (famous detectives, Linus and his security blanket from Peanuts, Secret Agents, etc. One affinity group plans a "Charlie Brown CSIS". Like Charlie Brown, CSIS never manages to do much right!)
